Although no specific license is required by the Department of the Treasury for shipments to these designated points of entry (unless the item is destined for UNITA), any such exports remain subject to the licensing requirements of the Departments of State and/or Commerce.

2. The FAC has worked closely with the U.S. financial community to assure a heightened awareness of the sanctions against UNITA—through the dissemination of publications, seminars, and notices to electronic bulletin boards. This educational effort has resulted in frequent calls from banks to assure that they are not routing funds in violation of these prohibitions. United States exporters have also been notified of the sanctions through a variety of media, including special fliers and computer bulletin board information initiated by FAC and posted through the Department of Commerce and the Government Printing Office. There have been no license applications under the program.

3. The expenses incurred by the Federal Government in the 6-month period from March 25, 1995, through September 25, 1995, that are directly attributable to the exercise of powers and authorities conferred by the declaration of a national emergency with respect to Angola (UNITA) are reported to be about \$170,000, most of which represents wage and salary costs for Federal personnel. Personnel costs were largely centered in the Department of the Treasury (particularly in the Office of Foreign Assets Control, the Customs Service, the Office of the Under Secretary for Enforcement, and the Office of the General Counsel) and the Department of State (particularly the Office of Southern African Affairs).

I will continue to report periodically to the Congress on significant developments, pursuant to 50 U.S.C. 1703(c).

WILLIAM J. CLINTON.

¶117.6 PROVIDING FOR THE CONSIDERATION OF H.R. 1617

Mrs. WALDHOLTZ, by direction of the Committee on Rules, called up the following resolution (H. Res. 222):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 1617) to consolidate and reform workforce development and literacy programs, and for other purposes. The first reading of the bill shall be dispensed with. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Economic and Educational Opportunities. After general debate the bill shall be considered for amendment under the five-minute rule. In lieu of the amendment recommended by the Committee on Economic and Educational Opportunities now printed in the bill, it shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule an amendment in the nature of a substitute consisting of the text of H.R. 2332. That amendment in the nature of a substitute shall be considered by title rather than by section. The first six sections and each title shall be considered as read. Points of order against that amendment in the nature of a substitute for failure to comply with clause 5(a) of rule XXI or section 302(f) or 401(b) of the Congressional Budget Act of 1974 are waived. Before consideration of any other amendment it shall be in order to consider the amendment printed in the report of the Committee on Rules accompanying this resolution, if offered by Representative Goodling or his designee. That amendment shall be considered as read, may amend the portions of the bill not yet read for amendment, shall be debatable for ten minutes equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against that amendment are waived. After disposition of that amendment, the provisions of the bill as then perfected shall be considered as original text. During further consideration of the bill for amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 6 of rule XXIII. Amendments so printed shall be con-

sidered as read. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute made in order as original text. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

When said resolution was considered.

After debate,

On motion of Mrs. WALDHOLTZ, the previous question was ordered on the resolution to its adoption or rejection.

The question being put, viva voce,

Will the House agree to said resolution?

The SPEAKER pro tempore, Mr. FOLEY, announced that the yeas had it.

Mr. HALL of Ohio demanded that the vote be taken by the yeas and nays, which demand was supported by one-fifth of the Members present, so the yeas and nays were ordered.
